Training and workforce planning arrangements

Arrangements in place during the last financial year for identifying, planning and meeting the training needs of staff employed by the service provider.	All staff complete mandatory e-learning courses through out bespoke training platform. All staff then must complete necessary face to face training including manual handling, emergency first aid, dementia, mental capacity, fire evac. All clinical training is face to face for nurses. We also discuss training needs in 1-2-1 supervision and staff mee tings and access specific courses for staff who need or would like further training. All staff are supported to do their diplomas
Arrangements in place during the last financial year for the recruitment and retention of staff employed by the service provider.	We complete dependency model calculations every 3 months, where we ensure our staffing levels are meeting the needs of our residents. We benefit from a stable staffing team, but during the period a number of long serving team members left through retirement of personal reasons. We advertise on Indeed and always attract high volumes of applicants. We pay above market rate and look after our team to have high retention rates.
